

Relish[®]

What are the recommended models and where do I get them?

We've done some testing for you and we recommend the following models:

- Belkin N300 (www.argos.co.uk)
- D-Link DAP-1320/B N300 (www.amazon.co.uk)
- D-Link DAP-1520 Wireless AC750 (www.amazon.co.uk)

What are the prices like?

Prices will vary but to make it easier we've done some research for you. Providers such as Argos & Amazon sell our suggested models from £14.99.

How do I install and where do I get support?

As these aren't Relish WiFi extenders we will leave the guidance and additional support to the manufacturers, but they appeared to be easy to install and use when we tested them.
